"Around The Track at E. M. Holt"

YOUR ATTENTION, PLEASE!

The 1957 [illegible] staff hope that within these pages we have recaptured the spirit of the events which took place this year. "Around the Track at E. M. Holt," We have tried to picture for you the main attractions that have meant so much to each of us.

In the years to come when you review the progress of the 1957 show, may you be able to live again the memories, the pleasant experiences that were a part of life "Around the Track at E. M. Holt."

E. M. HOLT

We Dedicate

THE 1957 REG-O-ALA

To Our Parents

The senior class of E.M. Holt wishes to dedicate the 1957 REG-O-ALA to those persons whom we feel have most fully shared our joys and sorrows. They are the people who have cared for us, understood our problems, loved us; and most of all, they have been our friends when we needed them. Without their assistance, we should never have been able to complete our years in high school. Realizing this, it is with deep gratitude that we dedicate the 1957 edition of the REG-O-ALA to our parents.

We'd better rush to the student store to buy supplies for the rest of the show.

It's a popular place - let's go to the concession stand for our refreshments.

NOW IT'S TIME

Let's put our books away so we can really enjoy intermission.

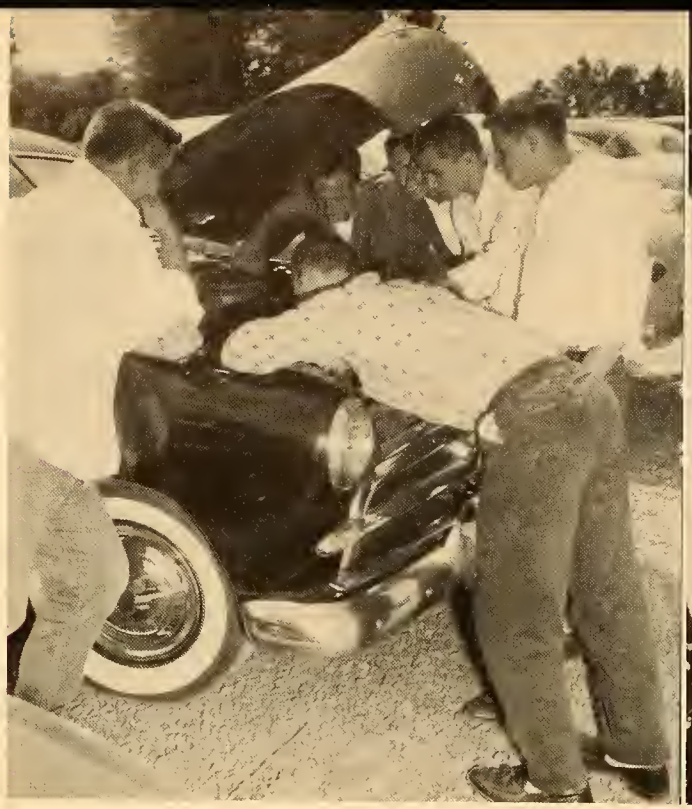
The photographer's here! Straighten up your tie and get ready to smile.

The boys? Oh, they're in the dressing room getting ready for their performance on the gridiron.

The powder room is full. It always is at intermission. The girls must look their best!

FOR INTERMISSION . . .

Come on! We've got time for a cigarette before the rest of the show begins.



Boy, listen to that motor; she's purring like a kitten.

Oh! Isn't it pretty? What's his name?

AND FOR FUN

Your attention, please. Intermission is now over. Please take your seats for the second half of the show.

And we're supposed to be the managers of this show!

FACULTY AND ADMINISTRATION

THE "RINGMASTERS" DIRECT OUR SHOW

OUR PRINCIPALS

The principals of our school are shown above. Seated at the left is Mr. L.M. Adcock, principal, and at the right Mr. R.M. Sizemore, high school building principal.

We look to them for advice and leadership in all our school activities, and we are never disappointed in the response they give as they direct our school program.

OUR " JUDGES" MAKE FINAL DECISIONS

LOCAL SCHOOL BOARD

Our School Board members - Mr. Clay Holt, chairman; Mr. James Stanfield; Mr. Glenn Coble; Mr. Clyde Pike, secretary; and Mr. Howard Patterson - help to form the school policies. They are vitally interested in the school and in each of us. With gratitude we recognize their efforts in our behalf.

OUR SECRETARY

It is the task of Mrs. James King to keep financial records for the school, to assist teachers and principals in various clerical duties - in fact, to do almost anything.

COUNTY STAFF

Shown above are Dr. M.E. Yount, Superintendent of Schools, and Miss Jessie Baxter, Director of Instruction, of our Alamance County School System. They make available to our faculty films, books, records, and other teaching materials.

THE MAIN EVENTS OF OUR SHOW

The first event at the show takes place in the homeroom with devotion and roll call. Following this event is first period, followed by five other attractions for the day. Many subjects are offered and are depicted in picture form on the following pages. At the end of the fourth event, time is taken for the event that is anticipated all morning long. Not only is mealtime a favorite attraction, but informal recreation is another feature of this hour. Then follows the two closing events of our show.

ACTIVITIES

The National Beta Club is a non-secret, achievement-service organization for high school students.

The purpose of this organization is the promotion of the ideals of honesty, service, and leadership among high school students.

The club is required to complete one or more service and money raising projects. This year for service projects the club sponsored a student directory and a "white Christmas" for which they collected food and clothes for needy families in this area. The annual talent show was the money raising project.

STUDENT COUNCIL

The Student Council is composed of fifteen students. Other than the four officers and the head cheerleader, the members are elected by the individual classes. There are two faculty advisers.

All members are required to have a "B" scholastic average. Activities of the council include the homecoming program, the basketball banquet, the Valentine social, and the student store. The council is responsible for the assembly programs and for attractive bulletin boards.

The Student Council is a member of the National Association of Student Councils.

The representatives are shown below. First Row: S. Keck, Hargis, Coble, Graves, Loy, Sharpe, Patton, adviser. Second Row: Efird, Marley, J. Keck, Ingle, Isley, Sizemore, adviser.

Here are the fourteen members of the senior class, with their adviser, Mrs. Euliss, who have worked hard to make the 1957 REG-O-ALA the best yearbook ever published at E. M. Holt. We hope that, as you look at the show "around the track at E. M. Holt," you will remember the happy events of your school life with us.

The Trumpet Gets New Dress

The newspaper has changed its dress. It is now the style of papers published by Walter Williams, Graham, and Altamahaw Ossipee. Instead of the usual booklet form, it is printed like a newspaper. I am sure that you will agree that it is much nicer than those "hot off the press" or smudged pages which occurred quite frequently in the old "Trumpet."

Keeping Christmas

Merry Christmas to you! The word "merry" really has a festive, heart warming sound. This is the time of year when people seem to be under a spell of church services, chiming bells, good wishes, and happy gatherings of family and friends. There is something about Christmas that is missing in our everyday life. The whole world seems brighter and people everywhere are sending greetings and best wishes to loved ones and friends.

This year in keeping Christmas, remember that this is Christ's birthday and do not forget the deep faith and reverence from which our Christmas comes.

Program Highlights Christmas Season

The annual Christmas program was given last night in the school auditorium. The Christmas story was told through narration, tableaux scenes, and song. The program opened when the Senior Glee Club and the Junior Glee Club marched down the side aisles of the auditorium, singing "O Come All Ye Faithful."

The Senior Glee Club, consisting of sixty-five voices, and the Junior Glee Club, consisting of seventy-five voices, taken from the sixth, seventh, and eighth grades, sang many Christmas favorites. Soloists were Joe Shoffner, Alice Piper, Billy Graves, and Charlotte Gammon. Some of the songs that were sung were "Gesu Bambino," "Christmas Rose," "Lo, How A …

The membership of the Monogram Club is composed of boys who have lettered in either football, basketball, or baseball. The Club purchases jackets for senior players; therefore it has several money-raising projects. This year the members sold buttons and decals and were responsible for the concession stand at basketball games. As a service project they assisted with seating at basketball games and cleaning the gym.

The seven cheerleaders and two substitutes are elected each year by the Student Council. They support the teams and promote good spirit at each game--at home or away. They are in charge of the pep rallies and are responsible for teaching the students new cheers and keeping school spirit high.

ATHLETICS

The E. M. Holt Wildcats had an impressive 9-1 record for the season. With Shoffner and Faulkner leading the way, the team scored 331 points, against 44 by opponents. The aggressive line play led by Nash, J. Mills, Williams, and M. Isley, allowed only one team to cross their goal line twice.

Two of the Holt Wildcats were placed on the all Mid-State Team--halfback Harold Faulkner, who received an award as the outstanding player in the Conference, and Ronald Nash, an aggressive 210 pound guard. Joe Shoffner and Sammy Moser also received awards for outstanding achievements. Shoffner set an all-time scoring record for the Mid-State Conference by scoring 135 points. Moser set a new individual record by passing for 16 touchdowns. Kenneth Sharp was honored for showing the best sportsmanship.

GIRLS' BASKETBALL

The E. M. Holt girls basketball team had a "new look" this year, as Coach Pete Marshburn moved guards Jane Keck and Linda Pentecost to starting forward positions with Cobina Pike. With Keck using the popular overhead shot all around the basket, Pentecost and Pike added lay-ups and set shots.

The forwards' play was consistently backed by the fine defensive work of our guards--Wanda Ward, Nancy Graves, and Mildred Estes.

Other players who saw a great deal of action were forwards Linda Moser and Polly Slaughter and guard Lois Coggins.

Members of the 1957 girls basketball team are shown below. First Row, left to right: Marshburn, Estes, Keck, Pentecost, N. Graves, Pike, Ward, Gaither, adviser. Second Row: Phillippie, Coggins, N. BOYS' BASKETBALL

The boys basketball team, under the able leadership of Coach Bill Loving, returned to the hardwood with lettermen Harold Faulkner at center, Joe Shoffner and Tony Branson forwards, guard Sammy Moser, and non-letterman Johnny Holt filling in the other guard position.

With a lack of height, the team boasted of speedy players on fast breaks. Other players who saw unlimited action were Jesse Branson, Kenneth Sharpe and Gary McPherson.

Members of the 1957 boys basketball team are shown below: First Row: Coach Loving, Billy Graves, Johnny Holt, Harold Faulkner, Joe Shoffner, Tony Branson and Sammy Moser.
